Re: Final Approval of Sealing South Portals, Canyon Fuel Company, SUFCO
Mine, C/041/0002, Task ID #1965, Outgoing File

Dear Mr. May:

The above-referenced amendment was approved by the Division on August 4, 2004, with input from the U. S. Forest Service relative to backfilling and compaction concerns. The Division was made aware shortly thereafter that the Bureau of Land Management had not reviewed the submittal. Based upon the need to have the BLM concur with the application, the Division requested that CFC put the sealing of the South Portals on hold. The Division received notification on January 11, 2005 that the BLM is in agreement with this action.

Thank you for completing this permitting action. If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
